

DIAMOND WET CORE BITS (ASSEMBLED TYPE)

Assembled extension tube allows excessively deep drilling. It is made up of three sections: head, tube and coupling and the diamond head is easy to exchange for client's options. It is for drilling all kinds of concrete, reinforce concrete, and asphalt.

THREAD CONNECT :W1-1/4" - 3

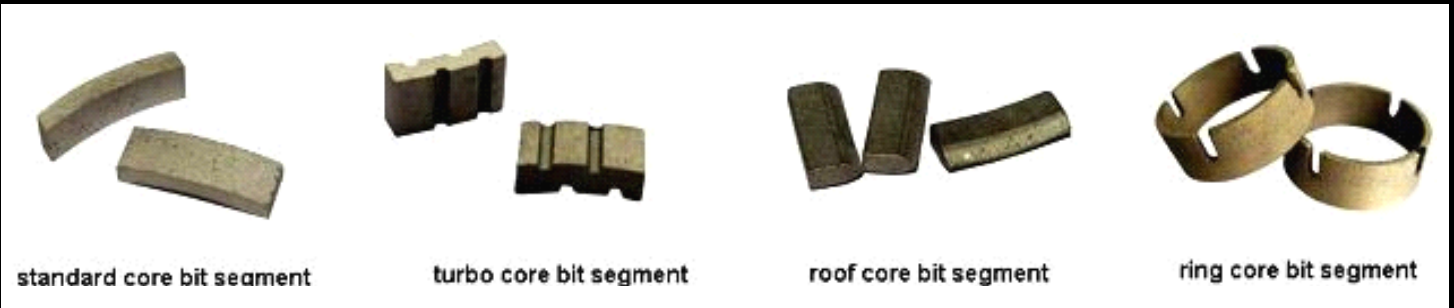

ASSEMBLED CORE =HEAD(L1)+ TUBE(L2)+ COUPLING(L3)

Diam.		Item#	L1	L2	L3	DEPTH	Diam.		Item#	L1	L2	L3	DEPTH
